##### HIGH PERFORMANCE SUMMER CAMP

Our high performance summer camp was a great success. Skaters pushed their limits, built new skills, and grew in confidence both on and off the ice. We wrapped things up with a fun summer potluck, where families, skaters and coaches came together to celebrate the summer skating and enjoy some great food and company. A huge thank you to our coaches, volunteers, and families for making it such a success. We can't wait to see how our skaters carry this momentum into the season ahead!

##### WILD ROSE & BC SUMMER SKATE

Congratulations to all of our skaters who attended the Wild Rose competition in Leduc, Alberta in August and BC Summer Skate in Burnaby, BC. These events are always a highlight of the summer, bringing together talented skaters from across the provinces. We are so proud of the effort, dedication, and sportsmanship our skaters showed throughout the competition. Way to represent our club- you inspire us all!

##### SKATE CANADA INTERNATIONAL

We are SO excited that our city will be hosting Skate Canada International on Oct 31-Nov 2 at the SaskTel Centre. This is one of the premier figure skating events in the world. This is a rare opportunity to see some of the top skaters from around the globe compete right here at home. Whether you are a lifelong skating fan or brand new to the sport, the energy of a live international competition is something you won't want to miss. Tickets are available now, and volunteers are needed- visit [skatecanada.ca](https://skatecanada.ca) to get your tickets or sign up today!
